Districts that do not wish to require receipts may have teachers retain the receipts and certify for the district they have received the allocation for purchase of teaching supplies and/or materials and that they have purchased or will purchase supplies and/or materials during the fiscal year for the amount of the allocation. Districts shall not have an audit exception related to non-retention of receipts in any instances where a similar instrument is utilized. If any expenditures eligible for a credit are made after December thirty-first, the teacher may include the expenditures on his initial return or may file an amended ~~2022~~2023 return claiming the credit, so long as the return or amended return is filed in this fiscal year. The Department of Revenue may require whatever proof it deems necessary to implement the credit provided by this part of this provision. Any person receiving the reimbursement provided by this proviso is ineligible to take the income tax credit allowed by this proviso.
